

JACUAR LAUNCHES DESIGN CONFAB

LEADING complete bathroom and lighting solutions company Jaquar Group launches Design Confab, a platform that brings together leading architects, builders and architects to celebrate the spirit of design. The topic for the first Jaquar Group Design Confab is 'Best Prac-

tices for Smart, High-performance Indian Buildings'. In recognition of the excellence and effective best practices in this domain, Jaquar Group has invited some of the leading creative and structural minds of this industry, to share their thoughts, ideation process and vision.
