Faber Brings Built In Steam Oven

Faber Steam Oven is incredibly flexible and provides the opportunity to combine cooking by steam and conventional cooking at the same time providing fantastic results.

Steaming is recognized as one of the healthiest way of cooking food as you don't need to use any fat and all of the natural goodness in vegetables is retained. Faber Steam Ovens have variable temperature settings and you can steam food from frozen state. The oven is just ideal for people looking at healthier lifestyles. Compared with other cooking methods, steaming is able to

preserve not only the vitamins and minerals but also natural flavours.

The Faber Steam oven comes with a Sensor Touch Control. The signature design style with sensor touch control makes your life much simpler and easy to use. Touch controls give full precise control of all the oven's functions at the touch of a finger for Faber Oven.

High quality of the stainless steel cavity makes the cleaning become a easier job, after cleaning you can check the inside spotless space from the large viewing window.

Artize Presents Shower Spa - Rainjoy+

Jaeger Group's luxury brand Artize has designed a unique shower spa- Rainjoy+. The Rainjoy+ showering experience is a complete body bath that envelops the senses with an array of soothing sensations inspired by nature's brilliant ways offering the ultimate satisfaction.

Artize Rainjoy+ is more than just a shower; it is a combination of specialised water outlets and different flow modes.

Combining the hydro flow design with the best aqua pressure and chromotherapy, Rainjoy+ provides soothing sensations and blissful relaxation with every shower. One can choose the perfect showering moment with a choice of varied modes like rain, intense, massage and mist.

Its large, enviable, concealed overhead showers have multiple modes and showering concepts to suit the exact needs of a true connoisseur of wellness.

The Rain mode lets you enjoy an extra-large, overhead shower zone for a complete body bath. Special nozzles recreate the joy of being in a溪流 as the Mist mode's floating blanket of feather-touch droplets gently covers you with freshness.

Artize Rainjoy+ comes in two models- Oval and Square. Featuring clean, aesthetic lines and an unobtrusive design, both the styles use a larger than life size to envelop you with sensations that aim to relax the muscles, restore calmness and repair the damage caused by daily life's stress and strains.
