

Jaquar Group hosted the 2nd edition of Design Confab in Ahmedabad

Ahmedabad,

Jaquar Group, India's leading complete bathroom and lighting solutions brand brought Design Confab to Ahmedabad, following its successful inaugural launch in Pune. The unique platform brought together leading architects, builders and interior designers to celebrate the spirit of design.

The theme for the Ahmedabad edition of Design Confab was 'Rethinking traditional architecture with smart design'. In recognition of the excellence and effective best practices in this domain, Jaquar Group invited some of the leading creative and structural minds of this industry, to share their thoughts, ideation

processes and vision on architecture and design.

The interactive session in Ahmedabad began with the key note address by Gurjit Singh Matharoo, Principal Architect, Matharoo Associates.

Followed by a panel discussion with leading architects and designers from across India who shared their design philosophy with the audience. Some of the panelists at Design Confab included names like Hiren Patel, Founder, Hiren Patel Architects, Dipen Gada, Founder & Principal Designer, Dipen Gada & Associates (DGA), Rahul Dalvi, Co-owner, Dalvi Associates, Jagrut Patel, Founder - Jagrut & Partners and Hitest Modi, Owner, Modi

Srivastava & Associates. Rajesh Mehra, Promoter and Director, Jaquar Group shared the concept behind Design Confab and his vision for the platform.

Speaking on the occasion, Mr. Rajesh Mehra, Promoter and Director, Jaquar Group said, "We are delighted to host the second edition of Design Confab in Ahmedabad, known to house some of the most celebrated architects of India. The idea behind this initiative was to create a first-of-its-kind knowledge forum for decision makers from the architectural and interior design fraternity to deliberate on best practices, emerging business opportunities and the changing dynamics of design in India."
